OFFICE ORDER

Sub: Bills pertaining to Covid Wave-2.

There is a reduction in the number of Covid cases in Bengaluru. Many of us have ramped our capacity at the Zone and Head office level in order to handle the surge in cases. The capacity addition was done in terms of:

1. CCC
2. War Room
3. Vehicles
4. Triage Centers
5. Procurement of items like medicines, PPE Kits, etc.

It's now time to scale down our operations. The lessons from wave -1 teaches us that expenditure will be difficult to be verified or justified at a later date.

Therefore, it is proposed that all the bills incurred in Covid wave-2 till May 31" should be approved and paid by 30th June.

For this purpose, a committee will be formed for each zone as under.

1. Chief Commissioner
2. Respective Zonal Commissioner
3. Special Commissioner (Finance)
4. Joint Commissioner of that Zone
5. Health officer of that Zone.

The bills has to be listed and submitted to this Committee by the Joint Commissioner and will have to be approved by the Committee before payment. We cannot have the bills pending indefinitely; the 2nd wave would hopefully taper off by June, 2021. Therefore, all bills have to be submitted and cleared by July 2021. This would be fair to both the contractor and to the officials who have done this work.
