

ISO_A1_(841.00_x_594.00_MM)

Approval Condition :

1.The sanction is accorded for.

shall not deviate to any other use.

demolished after the construction.

& around the site.

to occupy the building.

competent authority.

building.

building.

bye-laws 2003 shall be ensured.

of the work.

has to be paid to BWSSB and BESCOM if any.

for dumping garbage within the premises shall be provided.

/ untoward incidents arising during the time of construction.

The debris shall be removed and transported to near by dumping yard.

facility areas, which shall be accessible to all the tenants and occupants.

This Plan Sanction is issued subject to the following conditions :

a).Consisting of 'Block - A (RAVI) Wing - A-1 (RAVI) Consisting of STILT, GF+2UF'.

3.Car Parking reserved in the plan should not be converted for any other purpose.

2. The sanction is accorded for Plotted Resi development A (RAVI) only. The use of the building

4. Development charges towards increasing the capacity of water supply, sanitary and power main

6. The applicant shall construct temporary toilets for the use of construction workers and it should be

7. The applicant shall INSURE all workmen involved in the construction work against any accident

8. The applicant shall not stock any building materials / debris on footpath or on roads or on drains.

9. The applicant / builder is prohibited from selling the setback area / open spaces and the common

10. The applicant shall provide a space for locating the distribution transformers & associated

equipment as per K.E.R.C (Es& D) code leaving 3.00 mts. from the building within the premises.

12. The applicant shall maintain during construction such barricading as considered necessary to prevent dust, debris & other materials endangering the safety of people / structures etc. in

13.Permission shall be obtained from forest department for cutting trees before the commencement

14.License and approved plans shall be posted in a conspicuous place of the licensed premises. The

building license and the copies of sanctioned plans with specifications shall be mounted on

15. If any owner / builder contravenes the provisions of Building Bye-laws and rules in force, the

responsibilities specified in Schedule - IV (Bye-law No. 3.6) under sub section IV-8 (e) to (k). 7. The building shall be constructed under the supervision of a registered structural engineer. 18.On completion of foundation or footings before erection of walls on the foundation and in the case

Architect / Engineer / Supervisor will be informed by the Authority in the first instance, warned in the second instance and cancel the registration if the same is repeated for the third time.

16.Technical personnel, applicant or owner as the case may be shall strictly adhere to the duties and

19. Construction or reconstruction of the building should be completed before the expiry of five years

from the date of issue of license & within one month after its completion shall apply for permission

20. The building should not be occupied without obtaining "OCCUPANCY CERTIFICATE" from the

22. The applicant shall ensure that the Rain Water Harvesting Structures are provided & maintained

in good repair for storage of water for non potable purposes or recharge of ground water at all

23. The building shall be designed and constructed adopting the norms prescribed in National

24. The applicant should provide solar water heaters as per table 17 of Bye-law No. 29 for the

26. The applicant shall provide at least one common toilet in the ground floor for the use of the

Building Code and in the "Criteria for earthquake resistant design of structures" bearing No. IS

1893-2002 published by the Bureau of Indian Standards making the building resistant to earthquake.

25.Facilities for physically handicapped persons prescribed in schedule XI (Bye laws - 31) of Building

visitors / servants / drivers and security men and also entrance shall be approached through a ramp for

21.Drinking water supplied by BWSSB should not be used for the construction activity of the

times having a minimum total capacity mentioned in the Bye-law 32(a).

the Physically Handicapped persons together with the stepped entry.

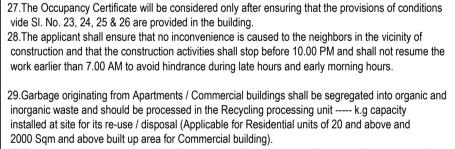

of columnar structure before erecting the columns "COMMENCEMENT CERTIFICATE" shall be obtained.

a frame and displayed and they shall be made available during inspections.

1. The applicant shall provide a separate room preferably 4.50 x 3.65 m in the basement for installation of telecom equipment and also to make provisions for telecom services as per Bye-law No.

5. Necessary ducts for running telephone cables, cubicles at ground level for postal services & space

30. The structures with basement/s shall be designed for structural stability and safety to ensure for soil stabilization during the course of excavation for basement/s with safe design for retaining walls and super structure for the safety of the structure as well as neighboring property, public roads and footpaths, and besides ensuring safety of workman and general public by erecting safe barricades.

 Sufficient two wheeler parking shall be provided as per requirement. Traffic Management Plan shall be obtained from Traffic Management Consultant for all high rise structures which shall be got approved from the Competent Authority if necessary. The Owner / Association of high-rise building shall obtain clearance certificate from Karnataka Fire and Emergency Department every Two years with due inspection by the department regarding working condition of Fire Safety Measures installed. The certificate should be produced to the Corporation and shall get the renewal of the permission issued once in Two years. The Owner / Association of high-rise building shall get the building inspected by empaneled agencies of the Karnataka Fire and Emergency Department to ensure that the equipment's installed are in good and workable condition, and an affidavit to that effect shall be submitted to the Corporation and Fire Force Department every year. The Owner / Association of high-rise building shall obtain clearance certificate from the Electrical Installation / Lifts etc., The certificate should be produced to the BBMP and shall get the renewal of the permission issued that once in Two years. The Owner / Association of the high-rise building shall conduct two mock - triats in the building , one before the onset of summer and another during the summer and assure complete safety in respect of fire hazards. The Builder / Contractor / Professional responsible for supervision of work shall not shall not materially and structurally deviate the construction from the sanctioned plan, without previous approval of the authority. They shall explain to the owner s about the risk involved in contravention of the BMP. The Builder / Contractor / Professional responsible for supervision of work shall not shall not materially and structurally deviate the construction from the sanctioned plan, without previous approval of the authority. They
1.Registration of Applicant / Builder / Owner / Contractor and the construction workers working in the construction site with the "Karnataka Building and Other Construction workers Welfare Board"should be strictly adhered to
 2. The Applicant / Builder / Owner / Contractor should submit the Registration of establishment and list of construction workers engaged at the time of issue of Commencement Certificate. A copy of the same shall also be submitted to the concerned local Engineer in order to inspect the establishment and ensure the registration of establishment and workers working at construction site or work place. 3. The Applicant / Builder / Owner / Contractor shall also inform the changes if any of the list of workers engaged by him. 4. At any point of time No Applicant / Builder / Owner / Contractor shall engage a construction worker in his site or work place who is not registered with the "Karnataka Building and Other Construction workers Welfare Board".
Note :

1.Accommodation shall be provided for setting up of schools for imparting education to the children o f construction workers in the labour camps / construction sites. 2.List of children of workers shall be furnished by the builder / contractor to the Labour Department which is mandatory.

3.Employment of child labour in the construction activities strictly prohibited. 4. Obtaining NOC from the Labour Department before commencing the construction work is a must. 5.BBMP will not be responsible for any dispute that may arise in respect of property in question. 6.In case if the documents submitted in respect of property in question is found to be false or fabricated, the plan sanctioned stands cancelled automatically and legal action will be initiated.
