Enhancements in Co-WIN Software

- A new feature of 'Allot beneficiary' in 'Ongoing session' added:
 - ✓ To allow maximum possible number of beneficiaries per session & have better coverage.
 - ✓ Pre-registered beneficiary in the database can be added to the session as additional beneficiary over & above the scheduled number of beneficiaries.
 - ✓ Person's name can be searched in the database by mobile number.
- Provisional certificate to be given after 1st dose & final certificate after 2nd dose.
