Permission to lay by HDD Method is accorded subject to adhering to the following conditions

- 1. This Permission is to be read along with the MOU signed with BBMP.
- 2. The concerned ward engineer shall supervise the work and ensure that the conditions imposed are complied with.
- Before commencement of the work, the Agency must give prior written intimation to the jurisdictional Zonal and Road Infrastructure Engineers of BBMP and also keep the BBMP Engineers informed during Execution of work.
- 4. As far as newly asphalted roads, are concerned, work should be carried out strictly by intimating and in co-ordination with Major Road/Road Infrastructure division.
- 5. Permission is valid only for the above sanctioned period. In case of expiry of the sanctioned period fresh requisition shall be submitted for Time Extension. which will be considered based on the reasons given and which will attract extra fees as applicable. Such requisition for extension of time should be submitted at least 15 days before the expiry of sanctioned period.
- 6. At start, during and after the execution of work, the Agency must inform office of the Chief Engineer OFC-Cell.
- 7. All HDD Pits must be restored on the same day itself. Any delay is liable for penalty.
- 8. Excavation must be as per the instructions of the concerned BBMP Zonal/Road Infrastructure Engineers.
- 9. Any over burden debris/earth should be removed immediately and conveyed to the designated dumping yards failing which, a penalty of Rs: 10,000/- per day will be levied by the concerned ward engineer.
- 10. Strictly follow the procedure laid down in road opening and restoration protocol. Barricading sign boards and other precautionary signage, name and telephone numbers of the executing Agency, opening and closing dates should be displayed, also warning lights should be displayed for the road users and for easy flow of traffic during execution of work, failing which it would attract heavy penalty and cancellation of permission, etc and also entail blacklisting of the executing Agency.
- 11. During execution of work, care must be taken not to cause any damages to BBMP property like drains, Name boards, etc. In case of such damage, commensurate penalty to be paid.

- 12. Absolutely no deviations from the permitted route is allowed. If deviation is found, not only penalty would be levied, the cable on the deviation portion would be confiscated /destroyed.
- 13. After the completion of the rectified portion of the subject road, the same should be maintained for 2 (two) years.
- 14. After completion of the work, as per specification given by BBMP, the Agency must get a Satisfactory Work done Certificate from the jurisdictional BBMP Engineers along with 3rd Party Inspection Reports. After the DLP (Defect Liability Period) of 2 years, a satisfactory completion and maintenance Report/Certificate by the jurisdictional BBMP Engineers should be furnished to this office to enable release of the Security Deposit.
- 15. During execution, any damage caused to the limb or life of public, damage caused to any Government / BESCOM / BSNL / BWSSB / KPTCL / Gail India Limited etc, property, the responsibility lies solely with the executing Agency and any claims/compensation should be borne by the executing Agency alone.
- 16. Redoing of Road cut portion to be carried out as per the MORTH Specification, procedure for Redoing of Road cut portion, specification details and sketch enclosed.
- 17. If the restoration of pits is not done as per MORTH Specification, the cost of same will be recovered by forfeiting the Security Deposit.
- 18.If any HTUG/GAS PIPELINE by HDD/OPEN TRENCH Method work is executed on newly asphalted roads, the cost of the resurfacing of the entire length and width of the road will be recovered from the executing agency.
- 19. During Rainy season, extra care should be taken to ensure that the pits are properly barricaded keeping in mind the safety of pedestrian and vehicular traffic.
- 20. The Agency should not cause any inconvenience to public while executing the work.
