Barricading sign boards and other precautionary signage, name and telephone numbers of the executing Agency, opening and closing dates should be displayed, also warning lights should be displayed for the road users and for easy flow of traffic during execution of work, failing which it would attract heavy penalty and cancellation of permission, etc and also entail blacklisting of the executing Agency.
10. During execution of work, care must be taken not to cause any damages to BBMP property like drains, Name boards, etc. In case of such damage, commensurate penalty to be paid.
11. Absolutely no deviations from the permitted route is allowed. If deviation is found, not only penalty would be levied, the cable on the deviation portion would be confiscated /destroyed.

12. After completion of the work, as per specification given by BBMP, the Agency must get a Satisfactory Work done Certificate from the jurisdictional BBMP Engineers within a period of 30days after completion of the work failing which the security deposite will be forfeited by the BBMP.
13. During execution, any damage caused to the limb or life of public, damage caused to any Government / BESCO / BSNL / BWSSB / KPTCL / Gail India Limited etc, property, the responsibility lies solely with the executing Agency and any claims/compensation should be borne by the executing Agency alone.
14. Redoing of Road cut portion to be carried out as per the MORTH Specification, procedure for Redoing of Road cut portion, specification details and sketch enclosed.
15. If any HTUG/GAS PIPELINE by HDD/OPEN TRENCH Method work is executed on newly asphalted roads, the cost of the resurfacing of the entire length and width of the road will be recovered from the executing agency.
16. During Rainy season, extra care should be taken to ensure that the pits are properly barricaded keeping in mind the safety of pedestrian and vehicular traffic.
17. The Agency should not cause any inconvenience to public while executing the work.
18. The OFC Cable shall be laid along the berm or shoulder where ever possible in consultation with the jurisdictional Engineer.
19. If preinstalled OFC Utility ducts are available in any stretch OFC shall be installed in only those ducts and related additional permission fee shall be paid to BBMP.
20. This permission is valid only after this permission is submitted along with the original permission to jurisdictional engineers by the agencies before commencing of work, and their consent is obtained. This permission is also null and void if the works are not carried out without notifying the concerned Jurisdictional Engineers and the work is carried out in the absence of concerned Jurisdictional Engineers.
