SALIENT FEATURES

Bruhat Bangalore Mahanagara Palike has taken up the project/ work of Up-gradation of Central Business Roads under the Tender SURE (Specification for Urban Road Execution) standards. The following points have incorporated in this project.

1. Development and Strengthening of Carriage way with Uniform Lane Widths.
2. Development of Footpath with Uniform Footpath Widths and Pedestrian Friendly Ways.
3. Construction of Utility Ducts wherever essential.
4. Construction of Proper Tertiary Storm Water Road Side Drain for easing out of Rain Water with proper shoulders etc.
5. Development of Junction across entire Road.
6. Beautification and Landscaping of the Footpath, Junctions
7. Provision of Street furniture (Signage's, Lane marking)
8. Provision of LED street lights.

In this project, the above said points have been considered/ incorporated for the standard development of roads. The objective of these Tender SURE standards is to make road for longer duration usage and to be free from zig-zag movement of vehicles, to ease out the pedestrian movement and for the safety of school children and old aged. Further, this project ensures avoiding of un-necessary road cuttings by various utility agencies.
