**PROPOSED COMPENSATORY PLANATION PLAN FOR RAISING 34310
NUMBER OF PLANTS BY GC CRPF CAMPUS, YELAHANKA BANGLORE IN
LIEU OF REMOVAL OF 3431 NUMBER OF TREES AVAILABLE AT GC CRPF
YELAHANKA CAMPUS.**

PROPOSED COMPENSATORY PLANATION PLAN FOR RAISING 34310 NUMBER OF PLANTS BY GC CRPF CAMPUS, YELAHANKA BANGLORE IN LIEU OF REMOVAL OF 3431 NUMBER OF TREES AVAILABLE AT GC CRPF YELAHANKA CAMPUS.

I. Introduction :-

Group Centre of Central Reserve Police Force is established on 256acre land at Yelahanka Bengaluru Urban limits.

There are so many trees available at this Campus location (Approx. 14000 trees). Out of available trees, 3431 number of trees (Eucalyptus and Acacia trees) proposed to be removed due to huge growth and damaging our sewerlines, chambers and plinth of buildings by its roots. These trees are coming under jurisdiction of Deputy Conservator of Forest (DCF)/Tree Officer, BBMP, Bengaluru.

As per OM No. DCF/PR-1125/2022-23 dated 19-09-2022 (Annexure-I) issued by DCF/Tree Officer BBMP, Bengaluru. Tree Officer/DCF BBMP has given permission to GC CRPF for removal of 3431 number of trees. Tree Officer has directed CRPF to raising compensatory planation in 1:10 ratio i.e. 34310 number of saplings against 3431 number of trees removal.

In view of above GC CRPF has identified the locations as follows :-

1. At the empty places available within the campus area.
2. Surrounding the boundary of this campus.

Hereby propose to raise compensatory planation as per technique/scheme described here in this plan.

II. Location Plan & Approval of land owner :-

256 acre land where out camp is situated its our own land. Hence no need to take permission of owner. GC CRPF has planned compensatory planation of Total 34310 number of saplings of various species as per Forest Department Guide lines and Compensatory planation plan is also submitted to Trees Officer.

Compensatory Planation Plan in lieu of removal of trees in at GC CRPF Yelahanka Campus.			
1	Total Land available for Compensatory Planation	Acre	62
2	Total Sapling planned by GC CRPF Campus	Nos	34310

III Agency for compensatory planation :-

GC CRPF Yelahanka itself implementing the proposed compensatory planation We would be ensured raising the planation as per the plan ensuring good survival rate.

IV Scheme of Planation/Technique :-

GC CRPF Yelahanka Campus has taken the responsibility of raising compensatory planation at the location suggested above as per standard practice & technique through our own manpower.

V. Up keep of planation & Maintenance :-

GC CRPF Yelahanka itself implementing the proposed compensatory planation and self will would be insured comprehensive maintenance. The planation being done will be maintained for life time by our department. However the following activities will be carried out by the department for 100% survival of saplings.

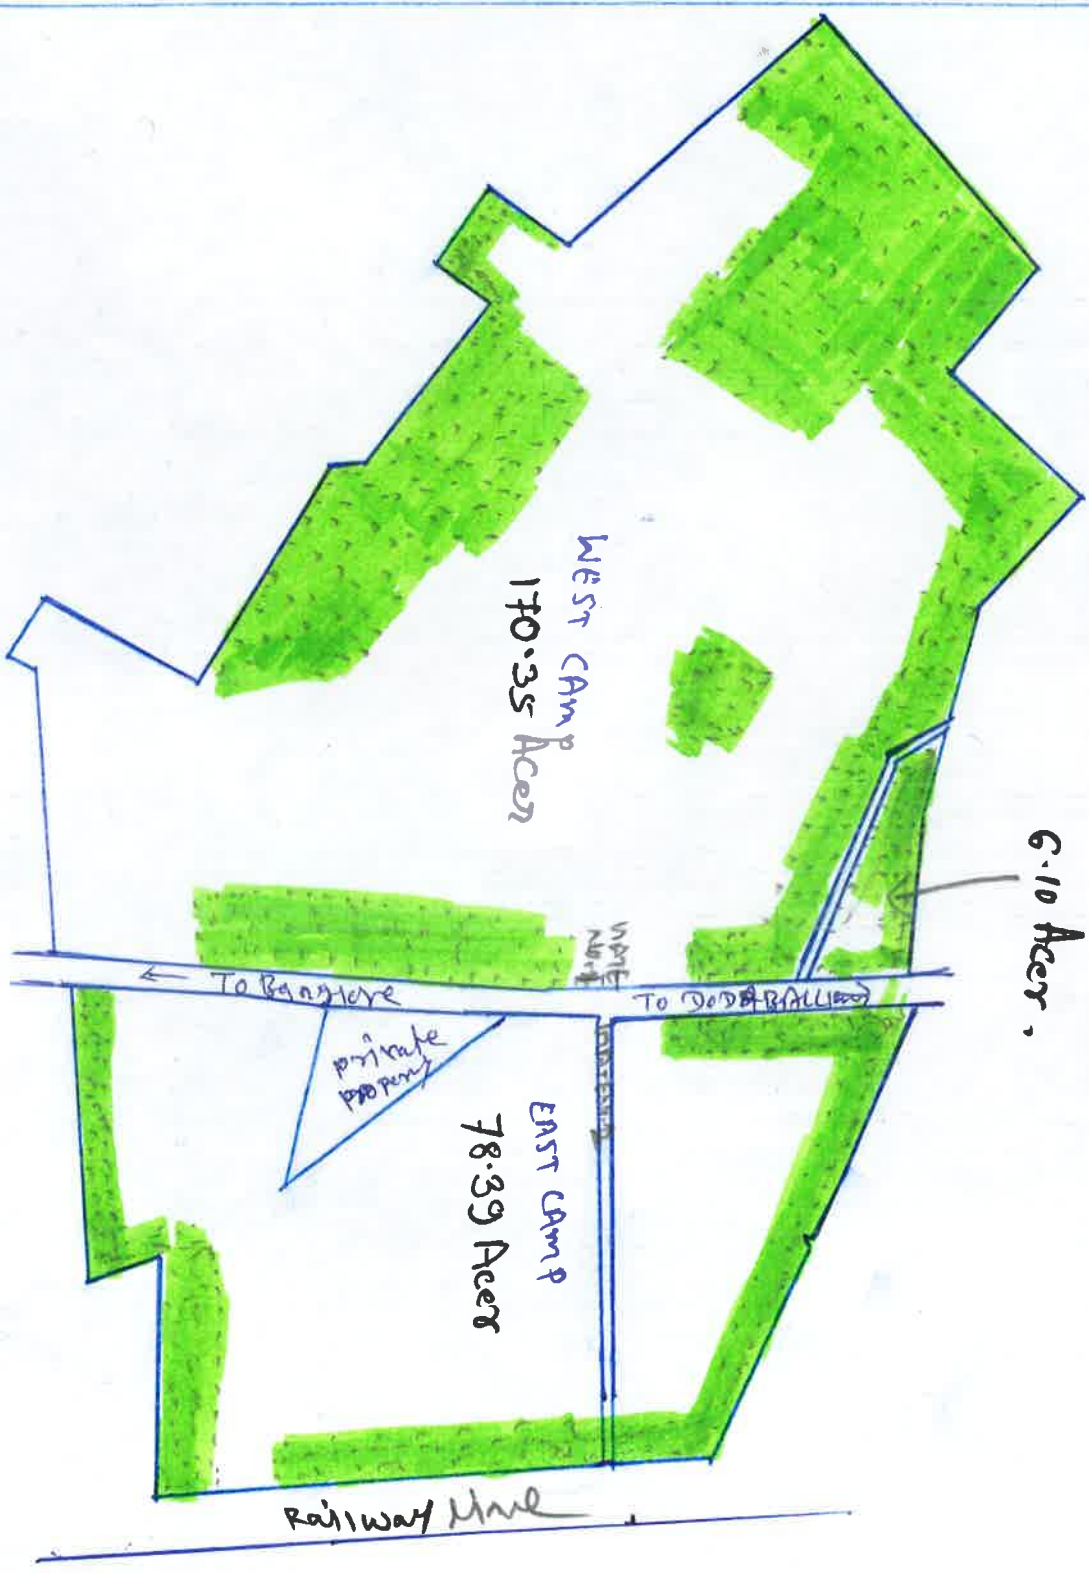

1. Maintenance activities for 1st year, 2nd year, 3rd year, 4th year and 5th year to be carried out by our department for achieving 100% success rate. In case of failure of any plant, immediate replacement will be done by our department.

2. In Summer season i.e. from February to May watering will be done at regular intervals of twice in a week. During Monsoon season i.e. June to November watering required may be minimal/nil. However, watering need to be done for any dry spell as and when required. During Monsoon season whenever there is a scanty rainfall, our department shall do watering to make shortfall.
3. Removing weeds/grass surrounding plantation area as and when required.
4. The entire compensatory plantation and maintenance to be done under close supervision and direction of Tree Officer BBMP.
5. Replacement of causality plants to ensure maintaining 100% survival.

VI. Conclusion :-

Group Centre CRPF Yelahanka Campus has accepted to take over compensatory plantation for 34310 saplings at GC CRPF Campus Yelahanka Bengaluru as per the guidelines of Forest Department, GOK through our own resources with aim to ensure good survival rate of plantation with regular maintenance and adequate supervision.
