15 Dec 2023

**Deputy Conservator of Forest
BBMP, Forest Wing
NR Square, Bangalore 02**

**REMOVAL OF TREES FROM THE SITE OF
UPCOMING INFRASTRUCTURE AT AIR FORCE STATION JALAHALLI**

Dear Sir,

1 Reference is made to the letter from the O/o Deputy Conservator of Forest (DCF), Bengaluru Urban Division vide No. A-9/Tree Cutting/CR-208/2023-24 dtd 29 Aug 23 and further to our letter of even reference dated 30 Aug 23, on the subject.

2 In pursuant to AoN from MoD vide Air HQ/37131/360/AFW (P&C)/2155/2021/DMA (Works-II) dated 09 Dec 2021 for new infrastructure under Annual Major Works Programme (AMWP) for F-Y 2022-23, this station has taken up case with the O/o DEO for removal of trees which were assessed and duly approved by a Board of Officers. Subject case was forwarded to the O/o DCF, Bengaluru Urban Division vide BAN/LANDS/113/VOL-84/1 dtd 28 Jun 23 for necessary NOC and valuation. However, since Air Force Station Jalahalli comes under the BBMP area, the case was forwarded from the O/o DCF, Bengaluru Urban Division to your office for necessary action.

3 It is intimated that submitted that the tender action for the subject work services is completed and the contract has been awarded. However, during the alignment of the perimeter road project it has been observed that there is deviation in the number of trees due to the variation in the requirement. As per the new alignment a Board of Officers (BOO) has been approved at the station and it is requested that number may be reconciled.

4. After successful bidding and awarding of contract, necessary site clearance has to be accorded to the vendor. Delay in site clearance call for administrative problems and further would result in delay in the project completion exponentially. In order to obviate any embargos, removal of trees from the proposed site is imperative. Annexed herewith

please find the approved copy of BOO, consolidated list of trees which are to be removed from the proposed work sites and marking of trees in the map as Appendix to this letter for your ready reference and further necessary action.

5. Considering the facts cited above, it is requested to depute your representative to Air Force Station Jalahalli for spot inspection / assessment of the trees. Also it is requested that the action at your end may be initiated and necessary permission (NOC) along with valuation may be forwarded on top priority for further necessary action by the O/o Defence Estate Officer in respect of the disposal of subject trees. Also, it is requested that the matter may be treated as **Most Urgent**.

6. A prompt action from your end is highly solicited.
