No. K-RIDE/BSRP/Tree Auction/Corr-4/19

Date: 19.08.2023

**Deputy Conservator of Forests and Tree Officer,
Bruhat Bengaluru Mahanagara Palike,
Bangalore.**

Sir,

Sub: Discrepancies in the proposal submitted by KRIDE - regarding

Ref: Your office letter DCF/PR/678/23-24 dated 1/8/2023 Email received on 5/8/2023

In connection with the above, the remarks are furnished hereunder:

1. The survey for the above trees was conducted two years ago and the proposal was submitted to DCF Urban one year ten months ago. The owners of the land and trees are Southern Western Railway and Private land owners. Out of 226 trees, tree no. 1 to 123 and tree no. 519 to 598 are between Chennasandra and Muddanahalli. These trees might have been cut by SWR and Private land owners respectively.
2. During survey, trees of girth 25 cm and above have been considered by K-RIDE but BBMP during inspection have considered trees of girth 16 cm and above. 24 nos. of trees from No. 722 to 745 might have been cut by BWSSB for drainage work. A variation of total 187 trees is observed.
3. From Ambedkar nagar to Muddanahalli a total of 2108 are standing 947 + 1161. 187 trees are being shown extra as per the BBMP report. These trees have lesser girth and hence not considered earlier.

Permission may be given for cutting and removal of above trees. Necessary public notice may please be issued at the earliest. After issue of cutting order, afforestation of 1:10 will be undertaken.

BSRP is very prestigious, time bound project of Government of India and Government of Karnataka. Hon'ble Prime Minister of India laid the Foundation Stone of the project on 20th June 2022 and assured the Nation of expeditious completion of the work. The progress of the project is being monitored at the apex level of Government of India and through PMO.

Yours sincerely,

19.08.2023

**Sreedhar Vedula IRSE
Executive Director
Civil**
