#### **Preamble:**

The Executive Engineer, Road Infrastructure Department (RID), BBMP, has submitted an application vide his letter u/r above at (a) for removal of 131 trees which are standing in the Project Area for Widening of Sarjapur Main Road from Outer Ring Road near Iblur Junction upto BBMP Limits near Chikka Kannahalli Road, ROB, Bengaluru. Accordingly the Tree Officer, BBMP issued a Public Notice dated 16.05.2020 for 131 trees duly inviting suggestions/objections from public. Later on while the processing of the documents was going on, the Executive Engineer, RID, BBMP revised the Project Plan and submitted another letter cited u/r above at (c) stating that though the total trees standing in the project area are 162 in

numbers but permission is being sought for clearance of only 79 trees. He has submitted relevant documents which indicate that the said trees are standing in the Project Area which is being implemented in public interest. The Tree Officer & DCF, BBMP issued another Public Notice dtd. 31.12.2020 as per Section 8 (3) of the Karnataka Preservation of Trees Act 1976 (as amended in 2015) with the intention to invite objections/remarks from public.

In response to the public notices, one suggestion/objection was received from public within the stipulated dates. The Objector in particular has stated that RID, BBMP was yet to acquire private lands for Road Widening. He also enquired as to the number of trees standing on Government land and private lands separately besides stating that trees standing on private lands cannot be felled until acquisition proceedings of land by BBMP are not completed. The Tree Officer referred the matter to the concerned EE, RID, BBMP. In reply the EE, RID, BBMP vide his letter cited u/r (e) has stated that none of the trees for which clearance permission is being sought for is standing on private lands.

Further in continuation, the EE, RID, BBMP vide his letter cited under reference above at (c), has reported that the existing Sarjapur Main Road has a width of 24 Mtrs. Now the project is for widening of the Sarjapur Main Road for forming a 6 lanes road with a total span of 45 Mtrs and the approximate stretch of length of the above road is 4.70 Kms. The development works are in progress.

In this context, it is to apprise that the present project proposal was received by the Tree Officer and public notices were issued suitably. The Range Forest Officer, Mahadevapura Zone and his concerned Field Forest Officers examined the Project Area and conducted trees inspection on 15.02.2021. The ACF/DCF visited the Project Areas on 16.02.2021 and then TEC visited the area on 08.04.2021 and conducted thorough Field Inspection, duly examining all the trees besides having discussions with the Project Engineers.

The Tree Officer also apprised that adequate number of saplings will be planted under compensatory afforestation and its proper maintenance will be taken care of.

The Field Inspection Report of TEC was tabled during the TEC meeting held on 16.11.2021 and detailed discussions were held.

- i. The primary objective of the TEC was to retain-on-site as many trees as possible.
- ii. In case the trees are standing within the project activity area and their removal becomes inevitable, the next option for TEC was for translocation of trees depending upon its general condition and location.
- iii. The felling of trees has to be the last resort and that was done very judiciously in a prudent manner.

Based on the records/documents produced by the EE, RID, BBMP followed by thorough scrutiny of the same and detailed discussions of the field inspection report which was prepared after examination of each and every tree, the following order is issued:

### **ORDER**

Under the circumstances explained above and in exercise of the powers vested with the undersigned as per Section 8 (3) of Karnataka Preservation of Trees Act, 1976, and based on the guidelines and decisions taken as per the Field Inspection Report and Meeting Proceedings dated 16.11.2021 of the TEC for retention-on-site, translocation and removal of trees which are standing in the Project Area for Widening of Service Road in Sarjapur Main Road from Outer Ring Road near Iblur Junction upto BBMP Limits near Chikka Kannahalli, ROB, Bengaluru, the below mentioned schedule is approved subject to the conditions mentioned thereon.

This Order will come into effect after fifteen (15) days from the date of uploading of the order on the Official website of BBMP.

## SCHEDULE

Total number of trees as per enumeration list	- 162 Nos.
No. of trees not found at the time of spot inspection	- 02 Nos. [Tree Nos. 15 and 31. The RFO, Mahadevapura Zone has reported that the trees have fallen due to wind and rain. The materials have been salvaged and transported to the depot].
Balance No. of trees assessed	- 160 Nos
No. of trees to be retained-on-site	- 122 Nos [Tree Nos. 13, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 33, 34, 35, 38, 39, 40, 41, 42, 43, 45, 47, 48, 57, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 91, 94, 95, 97, 98, 101, 102, 103, 104, 107, 108, 109, 110, 111, 112, 113, 114, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162] (Annexure A)
No. of trees to be translocated	- 16 Nos. [Tree Nos. 1, 2, 4, 6, 7, 8, 9, 10, 11, 16, 36, 55, 58, 59, 92, 99](Annexure B)
No. of trees permitted for removal	- 22 Nos. [Tree Nos. 3, 5, 12, 14, 32, 37, 44, 46, 49, 50, 51, 52, 53, 54, 56, 90, 93, 96, 100, 105, 106, 115] (Annexure C)

### Conditions

1. No damage should be caused to the trees which are retained on the spot, while carrying out the civil works/other works.
2. The translocation of trees should be done at suitable vacant spaces at the premises of Wipro Limited, SEZ, Survey No. 91/1, 98 & 99, Kodathi Village, Varthur Hobli, Sarjapur Road, Bengaluru – 560 035, identified in collaboration with the DCF, BBMP.

3. The Persons/Agencies who are entrusted with translocation of trees works should have sufficient knowledge and experience in such works.
4. The work of translocation of trees has to be executed according to the adopted guidelines of UAS, Bengaluru under close supervision of RFO, Mahadevapura Zone and other Forest Officers of BBMP.
5. The trees so translocated have to be properly maintained and taken care for a period of three years.
6. The entire process of translocation of trees has to be properly documented and records compiled in a systematic manner.
7. The process of felling of trees has to be carried out only after the successful completion of the translocation of trees.
8. In lieu of the trees felled/translocated, 10 healthy and heighted saplings have to be planted in lieu of one tree felled/translocated. The saplings have to be planted as per forestry practices and to be maintained for a period of three years. Photographs and proper documentation has to be there for saplings planted.
9. Quarterly progress report about the translocated trees has to be prepared by RFO, Mahadevapura Zone and submitted to the Tree Officer, BBMP. Similarly the quarterly progress reports about the saplings planted have to be prepared by concerned RFOs and submitted to the Tree Officer, BBMP. In turn the Tree Officer, BBMP should regularly monitor the progress of these works so as to ensure the conducive growth of translocated trees and planted saplings.

Tree Officer and  
Deputy Conservator of Forests  
Bruhat Bengaluru Mahanagara Palike,  
Bengaluru

To :

1. The Executive Engineer, (RID), BBMP for information and further action.
2. The Range Forest Officer, Mahadevapura Zone and  
Deputy Range Forest Officers, Mahadevapura Zone for information and  
necessary action.

Copy forwarded to :

1. The Assistant Conservator of Forests, BBMP for information and further  
action.
2. The Other Range Forest Officers & Deputy Range Forest Officers, BBMP for  
information and further action.
