PREFACE

The Bruhat Bengaluru Mahanagara Palike infact has been implementing Animal Birth Control Programme for stray dog/s population, through the provisions of Animal Birth Control(dogs) Rules 2001. These rules have been framed U/s 38 of “The Prevention & Cruelty to Animals Act 1960” under which unsterilised stray dog/s are caught, sterilised, vaccinated against Rabies, de-wormed and are released back in the same locality, but the problems appears to have not been solved, so far as attack by a stray dog/s.

The Bruhat Bengaluru Mahanagara Palike, is able to control only the Sexual Aggression, Maternal aggression & Aggression due to Rabies by resorting to Animal Birth Control & Anti-Rabies Vaccination. The factors like., Territorial aggression, Food Aggression & Fear aggression, perhaps cannot be controlled, as they are natural instincts.

If powers vested under Karnataka Municipal Corporation Act 1976 & Sec 345 were to be exercised and implemented in letter & spirit, then of course, there would be no necessity of determination of compensation to the victims of attacks by the stray dog/s. Since, Animal Birth Control(Dogs) Rules 2001, is also to be complied, therefore, question has come up in the matter of computation of compensation amount in such matters.

The Division Bench of the Hon’ble High Court in Master.Jishnu’s case (WP No.37197/2011 & other connected matters) directed BBMP to frame Guidelines in the matter of grant of compensation to the victims of attacks by the stray dog/s. For stray dog/s, there would be no owner. BBMP is not and cannot be the owner of these stray dog/s, but they are its properties. In other words BBMP enjoys no right to be exercised concerning these stray dog/s, but merely incurs liability.

Infact, there is no provision in KMC Act 1976, in the matter of reimbursing medical expenses/payment compensation to a victim of an attack by a stray dog/s. But BBMP has shown a humane approach in this behalf.

Merely because compensation amount is determined, that does not mean that, BBMP is liable for all future consequences.

BBMP acknowledges the services rendered by a Committee consisting of Shri.Hemaji Naik, Additional Commissioner(Admin), Shri.K.D.Deshpande, Head of the Legal Cell, Shri.Yathish Kumar, Joint Commissioner (Health), Dr.T.Shivarama Bhat, Joint Director(Animal Husbandry), Dr.Vathsala, Chief Health Officer, Dr.Nirmala

Buggi, Health Officer(West), Dr.M.K.Sudharshan, Resource person Rajiv Gandhi Institute of Public Health and Centre for disease control, RGUHS, Bengaluru, Dr.J.Ravishankar, Special Commissioner (Projects), BBMP as its Chairman. Special mention is to be made of the valuable and constructive services rendered by Shri.K.D.Deshpande, Head of the Legal Cell in finalising these guidelines.

On behalf of the committee I sincerely extend my heartfelt gratitude to Shri T.M Vijay Bhaskar, I.A.S., Administrator, BBMP, for his continuous support and sincere concern in ensuring the timely completion of these guidelines with his approval.

We hope that, these guidelines would serve the purpose for which they have been framed.

G.KUMAR NAIK, I.A.S.,
Commissioner
Bruhat Bengaluru Mahanagara Palike

GUIDELINES FOR THE GRANT OF COMPENSATION TO THE VICTIMS
OF ATTACKS BY STRAY DOG/S

These guidelines are to provide an equitable and just compensation to the victims of attacks by stray dog/s. Equally, guidelines are to avoid an indiscriminate determination of compensation amount payable. Guidelines would also cater to the needs of the matters connected there with or incidental thereto.

Whereas, the Division Bench of the Hon'ble High Court in WP No.37197/2011 and in connected matters, on 07-12-2012 was pleased to issue several directions and one amongst them is in the matter of framing Guidelines for the grant of compensation to the victims of attacks by the stray dog/s.

Now, therefore, it is expedient to provide these Guidelines for the concerned, who desire to avail them.
